The happiest people seem to be those who have no particular cause to be happy except for the fact that they are so . . .

Dedication

Mr. Raymond Doolittle

No single great deed is comparable for a moment to the multitude of little gentleness performed by those who can scatter happiness on every side and strew all life with hope and good cheer.

— Newell D. Hillis

We, the class of 1981, dedicate this yearbook to Mr. Raymond Doolittle, a friend, a disciplinarian, and a counsel. Thank you for listening to our problems and guiding us on the right path. We will miss your correcting us (even though your voice was a little bit loud, now and then!) We appreciate your help through our last six years of High School. We will never forget you as we go on through life.

Sailing Into Yesterday

Joyful times are never gone —
they're always joys to look back on!

— Anonymous

Senior Class Officers

People who achieve happiness and success
are those who shake off a depressed mood
by refusing to accept the idea of defeat.
They know it is the thought of defeat that causes defeat.
They train their minds to think victory.
As a result they gain victory.

Junior Class Dedication

A yearbook is a lasting memory of our years in school. It is the result of the combined efforts of many people, but is made possible only through monetary support. This year the class of 1982 purchased the most yearbooks, so this is a dedication to them for their support.

Homecoming 1980

Pam Hoover, Queen

A beautiful fall day was the setting for the 1980 Homecoming. The suspense at halftime mounted from the unknown identity of the queen. Many tears of joy were shed while Michelle Genero, the 1979 queen, crowned her new successor, Pam Hoover. With the 45-0 victory of our mighty Rover team the day was complete. The spirit of that event would live on in our hearts forever.
